	APPROVAL OF STATE ENGINEER	
	This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the	
follo	wing limitations and conditions:	
righ plac reas two must and meas must of W Engi of t publ	This permit is issued subject to existing rights. It is understood that the int of water herein granted is only a temporary allowance and that the final water obtained under this permit will be dependent upon the amount of water actually sed to beneficial use. It is also understood that this right must allow for a conable lowering of the static water level. This well shall be equipped with a (2) inch opening for measuring depth to water. If the well is flowing, a valve be installed and maintained to prevent waste. A totalizing meter must be installed maintained in the discharge pipeline near the point of diversion and accurate surements must be kept of water placed to beneficial use. The totalizing meter be installed before any use of water begins, or before the Proof of Completion look is filed. This source is located within an area designated by the State neer, pursuant to NRS 534.030. The State retains the right to regulate the use the water herein granted at any and all times. This permit does not extend the permittee the right of ingress and egress on ic, private or corporate lands. This permit is issued under the preferred use provisions of NRS Chapter 534. The lare of use of water under this permit is by nature of its activity a temporary use amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and	led
	o exceed	
	ion-gallons annually.	
	c must be prosecuted with reasonable diligence and be completed on or before February 22, 1986	
	f of completion of work shall be filed before March 22, 1986	
	for the arrivation of water to beneficial use shall be made on or before February 22, 1989	
	f of the application of water to beneficial use shall be filed on or before	
	in support of proof of beneficial use shall be filed on or before	
	letion of work filed	
Proof	of beneficial use filed my office, this 22nd day of FEBRUARY	
	A.D. 1984
